SPOTLIGHT ON A GB MEMBER

Hello GB Friends!!

My name is Tanyaradzwa Irene Mandengu.

I am 20 years old and I go to GB in Zimbabwe, Africa Fellowship. Currently, I am the African Millennial Ambassador for GB.

I am the second born and only girl in a family of three and my mom is the backbone of the family. Our family lives in a small town called Hatcliff in Harare. I love my family because we are a Christian family and we attend The Salvation Army church.

I completed my Ordinary level studies in 2015 and currently I am pursuing my studies towards nursing. I chose this channel because of the love that stems from within me to help others in need whilst it has also been groomed from various GB teachings.

My GB is held every Saturday in Hatcliff at the Salvation Army church and I am proud to be a Young Leader within the company. I love attending GB sessions in my company because it is one of the vibrant companies in Zimbabwe and there are amazing activities during our sessions. These include devotions, bible study, drill, games, dancing, singing, craft making, and moral lessons.

I enjoy GB because it has moulded me to be the girl I am today, I am Confident, Smart, God-fearing, I am loved. I am a multi-skilled young woman because of GB, I can knit, bake, cook, sew and make so many crafts. The prayers we do I have seen them answered and through that I have a positive view into life and faith in God.

There are also training weekends for Officers and new companies

Something Special You Should Know About Us

GB Zimbabwe is currently embarking on empowering young girls into first aid and nurse aid courses. Apparently these are offered free in Zimbabwe with some institutions. This would empower girls in their young age to fully provide service at home, church, school or the communities they function in.

Something To Find Out

In our country we have a tree called the Sausage Tree. See if you can find out why it is called that and what the tree is used for!

And Finally An Idea To Share

Please try making this simple cake even the juniors will be happy to be involved.

Ingredients: 200g margarine; 2 cups cake flour; 2tsp baking powder; 4 large eggs; 1tp vanilla essence; 1 cup castor sugar, ¼ cup mazoe crush (orange juice)

Method: Cream margarine and sugar until fluffy. Add eggs one at a time to avoid curdling. Sieve flour, baking powder and add to the creamed mixture (fold in using a metal spoon). Add vanilla essence and orange juice. Pour into a lined and greased tin and bake at 180 degrees for 45 minutes or until golden brown.
