Friday 8 March - *On International Women's Day, pray for the GB family around the world and give thanks to God for this amazing opportunity for Girls' Brigade to be part of this global forum and help influence global policies on issues impacting girls.*

Saturday 9 March - *Pray for the four members of GB International's Delegation of Hope (Priscilla, Claire, Betty and Quindell) as they travel from across the world to New York City. Pray for hassle-free travel and safe journeys. Pray for their families who they leave behind.*

Sunday 10 March - *Today the team are attending the NGOCSW forum along with 2000 other activists; a briefing day before the CSW officially begins. Pray for the team as they navigate the NY transport system and pray for good networking opportunities for others.*

Monday 11 March – *It's the opening day of CSW and over 4000 activists and government officials are gathering. The team will be attending a mixture of workshops, events and formal negotiations from 8.30am to 6.00pm. Pray for good sleep, health and stamina as well as many Godly connections.*

Tuesday 12 March – *Pray that the Delegation of Hope will achieve its three goals this week: INSPIRE others with the fantastic work of Girls' Brigade, CONNECT with other key strategic individuals and NGOs who share similar goals and UNDERSTAND how GB and its members could use the CSW and other UN initiatives to maximise its influencing potential to turn up the volume of hope for girls.*

Wednesday 13 March - *Today the team are attending events facilitated by Christian faith-based NGOs and organisations like World Evangelical Alliance, Salvation Army and Worldvision. Thank God for all the Christian-faith based NGOs and organisations who are attending CSW and are advocating for the Good News that Jesus brings. The team has several important meetings planned to explore future collaborations with NGOs; pray that God would open doors of opportunities.*

Thursday 14 March - *In the schedule, the team has allotted some time for networking and meeting individuals and organisations who could be powerful allies. In the hecticness of CSW, pray that God will also enable time for stillness, reflection and genuine connections. Pray for continued stamina for the team, good sleep and health.*

Friday 15 March – *It's the last official day of week 1 of CSW. The theme of CSW is exploring social protections including girls' access to education, violence against women, human trafficking and religious persecution. Please pray for all God's people around the world who are experiencing these injustices and pray for wisdom and commitment from the various government delegations who have the power and influence to effect change.*

Saturday 16 March – *The team are meeting for a debriefing session before they leave NYC. Pray for clarity of mind to reflect on the experience and to begin to think about the strategic opportunities for GB to be part of CSW and wider UN activities in the future.*
