

# WORLD DAY OF PRAYER

WITH WORLD ENVIRONMENT DAY

## WHAT ARE WE DOING WITH GOD'S CREATION, AND HOW CAN WE TRANSFORM GIRLS' LIVES?

Read the stories below to the girls and then have a discussion time.

- Creation
- How the universe was created - Genesis 1:1-2:3 and 2:8-9, 15-25
- How it all went wrong - Genesis 3
- God Regenerates after sin
- The miracle of Christ's Birth - Matthew 1:18-2:12
- Jesus dying on the Cross to take away our sins - Luke 23:26-56
- The Resurrection - Luke 24:1-12

All these passages will help in seeing how God's work will be done. Transforming the way that we look at the environment is important. Get the girls to see what can be done in your local area.

Ask them the following questions (These are suggestions, you may have a few other questions as well):

- Why is this happening?
- How can we prevent it?
- How do we educate people to look after the environment?
- What would God say, as He looks at what we have done to His wonderful Creation?
- How do we fix it? How can you get your GB Company involved?

Prayers for forgiveness, praise, and thanksgiving - don't forget the Lord's Prayer.

Sing a song or hymn that relates to God's glory.
