SPOTLIGHT ON A GB MEMBER

Hello,

My name is Darice I am 18 years old, I live in Gboko Benue state of Nigeria. I live with my parents and three siblings.

I attended Excel Grace Secondary school Gboko, Benue State. I started GB as an explorer at age 4 years, I was taken there by my aunt who was also a member of GB. Presently I attend GB at 85th Benue company URCC Kontien (Universal Reformed Christian Church).

Our meeting days are Wednesdays and Fridays from 4:00pm – 6:00pm. During our meetings, we are taught the word of God and other programs like bead making, baking and physical activities. I enjoy dancing with my friends.

GB has helped me to know Christ and have a relationship with him, it has inculcated good morals in me, it has also helped me to be bold and an entrepreneur, I make beads and bake cakes for sale.

Our History

The Girls' Brigade organisation started in Nigeria in 1942 by an SIM missionary lady called Marjorie Burrough, who came from the 1st Leyton company in England. She came to Nigeria to do church planting with her husband. She started Girls' Brigade with eight girls! Just look at how many members we have in Nigeria now!

Sightseeing, picnics, partying, visiting mission fields, orphanage homes etc.. - are also part of our programme. We also enjoy competitions, sporting activities, cookery and craft exhibitions

And Finally An Idea To Share

Try making Yam Balls, one of our national dishes.

You will need: 400g of yam flour .

Boil 900ml of water in a pot. Put a small amount aside.

Using a wooden spoon stir in the flour. Add extra hot water if needed. Form into balls. Cover the pot and cook for 3 minutes. Serve with hot vegetable soup.

Or... why not try working with beads and see what you can make? It is one of our favourite crafts.
